FOR IMMEDIATE RELEASE

Who: Gateway Healthcare
What: PRESENTATION: “Why Do Kids Act That Way?”
When: Tuesday, May 12, 2009 at 7:00pm
Where: Providence Marriott, Orms Street, Providence, RI

PROVIDENCE, RI – Gateway Healthcare, a nonprofit behavioral healthcare organization, is hosting a presentation with Dr. Nancy Buck, author and creator of Peaceful Parenting® titled “Why Do Kids Act That Way?” The event will be held on Tuesday, May 12th from 7:00 – 9:00pm at the Providence Marriott. It is free and open to the public.

The presentation will teach parents ways to manage children’s behavior and techniques for coping with a wide variety of issues including how to cope with bedtime, how to talk to teenagers and how to effectively handle sibling arguments.

Nancy Buck, Ph.D completed her doctoral studies in developmental psychology with a specialization in parenting. She has created Peaceful Parenting® applying choice theory to parenting, revealing what motivates all behavior and provides parents with a new and effective method to help the entire family. She has over 25 years of experience as a psychologist, trainer, educator and mother of twin boys.
